

PHARMACY CONTRACTING

PharmPix permits the participation in our pharmacy network of any pharmacy – including mail order, home-infusion pharmacies and specialty pharmacies – that are willing to accept our terms and conditions and are in compliance with federal and state laws.

A written agreement must be in place with a pharmacy and credentialing criteria must be completed in order to be included in the pharmacy network. PharmPix requires each provider to meet with participation requirements, including but not limited to, licensure, insurance and provider agreement requirements. Credentialing and re-credentialing initiatives are critical to ensure that participating providers abide by the criteria established by PharmPix, as well as state and federal laws and regulations. All pharmacies must be approved by the Network Management Committee before becoming part of the PharmPix Provider Network and must be re-credentialed every two years to maintain active status in the network.

PharmPix wants to make certain that all pharmacies meet standards, including quality, safety, cleanliness, patient confidentiality and access. PharmPix retains the absolute right to conduct a facility review any time a deficiency, breaches of standards of care or delivery are suspected.

If you are interested in becoming part of the PharmPix Pharmacy Provider Network, please send the PHARMACY PROVIDER NETWORK PARTICIPATION REQUEST FORM to our Retail Network Contracting department at retailnetwork@pharmpix.com or by fax to 1 (866) 912-2810. A member of our Retail Network Contracting department will contact you in order to process your request.

If you have additional questions regarding the contracting process, please call us at (787) 522-5252, ext. 169, 117 or 183.
